The White / Blue / red tones of the shoes have the impression of the American flag, while the crackle decoration gives the new color a touch of Ill, True, Blue.

Nike this summer, in addition to the publication of new evolution Lunar Presto, also has Air Presto re engraved new works. The double Air Presto is made up of grey Lycra upper, and the half face shoes are shown in a net design, with blue and fluorescent green detail. It's definitely a new work for summer fans.
